**RE:** Disclosure to Perform Training In Cultural Communication for WLPD pursuant to  
*IC 35-44.1-1 et seq.*

---

I have been asked by the Mayor and the Police Department to help with training. The cost of the initial two hour training session will occur within the next several weeks as schedules allow and not exceed \$200.00 per session in cost. The training will be specific to law enforcement and is intended to increase cultural awareness and professional communication skills. Future sessions will be conducted as requested by the Department.

I have been advised by West Lafayette Corporation Counsel Eric H. Burns, that this disclosure statement complies with the State law and allows me to provide the services contemplated in full compliance with the law.

I ask that this Disclosure be accepted by the Board in a public meeting as deemed appropriate by the Board. It is my intention to hold no part in such Board action and to abstain from voting on any claim related to this engagement.

I affirm under the penalties of perjury that the preceding is true and correct.
